LED Technologies, Inc. - Milford, NH - 603.966.4584

Terms and Conditions:

Night Stalker FX (LED Technologies Inc.) takes pride in providing the ultimate quality products. The projector is a custom product that allows you (the customer) to customize the image. The image provided is very important part of the projector. The quality of the image provided is going to result in the quality of the projection. We do the best we can to insure a perfect projector however not all images will be flawless. We will do our best to make the end result as close as we can to perfect. The following information is important to accept before submitting a custom image:

- You are allowing NSFX to display and/or reuse your image unless otherwise stated.
- The custom projector image can be changed by NSFX for \$30. Customer pays all shipping.
- Tampering with the projector (disassembly, modification ect.) voids warrantee and is nonreturnable.
- A custom projector can be returned for a refund minus the \$30 custom image up charge and the original shipping charges. Customer pays shipping back to NSFX.
- Installation varies wildly from bike to bike. Installation can be difficult. NSFX will do our best to help you via phone and email support.
- Additional projectors with your custom image are available for the "stock" projector cost.

Thanks for purchasing a NSFX product. We look forward to pictures, comments or suggestions.
